

# Haunts of Harriman

Harriman State Park, in Island Park, Idaho, is holding the 9<sup>th</sup> Annual Haunts of Harriman on October 31<sup>st</sup>, 2009. Every year people come from all over eastern Idaho from Pocatello to West Yellowstone (even SLC) to participate in the event. The Historic Railroad Ranch is transformed into a Halloween town with wagon rides, trick or treat houses, Halloween scenes, carnival, and a haunted house. Every year there is a new theme – this year it is “**WILD, WILD, WEST**”. From 6:30 to 9:00pm families have a safe and fun place to bring children of all ages to an event that shouldn’t be missed. 40-60 volunteers help to make this event a success.

\*\*Admission is free but we ask for food bank items to go to the Ashton Community Food Bank.

**In the last two years 800 people were in attendance!!**

This event has grown too large for Harriman State Park to fund on its own and *we need your help* to continue this event.

Harriman is asking for any of the following:

- Candy, candy, candy
- Halloween decorations – **WILD WEST** theme – cap guns, hats, etc.
- \$Cash\$

**You or Your business will be recognized at the event and afterwards in the local papers.**

*Haunts of Harriman has grown into an annual traditional family event and your assistance will allow Haunts to continue. Please call 208-558-7368.*
